

THE VOICE: IT'S EVERYONE'S BUSINESS

We the undersigned are directors from a wide range of organisations. In our personal capacity, we proudly stand together with the majority of Aboriginal and Torres Strait Islander peoples in support of the establishment of a constitutionally enshrined Aboriginal and Torres Strait Islander Voice. With conviction, we believe it is time to ensure Australia's Indigenous peoples are recognised and heard.

We are inspired by the courage and resilience of Aboriginal and Torres Strait Islander peoples who continue to speak from their heart as custodians of country in our nation. Their voice is essential, bringing to us over 65,000 years of wisdom and providing the foundation to our country. It is our shared responsibility to ensure they continue to be heard and inform decisions that affect them.

Join us in supporting the Voice, as we collectively chart the way forward to a stronger, more inclusive, and unified Australia.
